(Body of Text-Answer these questions)

Explain to me what you like to do

- I love anything outdoors especially if it includes a beach!
- I like sports and doing activities that include biking, hiking and walking.
- My favorite sport to watch is football.
- I love hanging out with my daughter and husband of course.
- I love to popcorn, wings, pierogis and any Chinese food.

Explain what your educational goals are

To learn as I go and learn more about the software I teach with. Also, I like to learn about different students' educational plans.

I wanted to be a teacher and now I am. I wanted to teach English but also wanted to graphic design and teacher cadet, which I now do.

Explain to me what you do to help others

- I will cut grass or do chores for elderly people or friends that have had surgeries. I like to help out and donate my time to a cause. I currently donate my time at Gleaners Food Bank, Kiwanis Club of Clinton Township and in my community.
- I will help raise money for charities or donate in any way I can.

Explain to me the most important traits of a good student or worker

- Show up on time, put in a 100% effort and ask questions.
- Learn from a professional or get extra training if it is offered.
- Go the extra mile and if you are asked to do something, do it.
