Chippewa Valley Schools uses the Edgenuity online learning system to help students recover credit in an effective and convenient way. The Edgenuity courses have been customized to meet the same standards and content taught in the Chippewa Valley classrooms. The students in this class will work at their own pace through a ½ credit course to regain credit and earn an improved grade. **Student success is dependent on effort, communication with teachers, using the program and resources effectively, creating and following a schedule, problem solving, and self-direction.** If you have any questions do not hesitate to contact the credit recovery teacher at (586) 723-2500.

As a student in the E2020/EDGENUITY class I understand that being in here is a privilege, not a right. I understand that I am in here to recover lost credit and to make the best of the time I have in here and that I am getting a chance that other students would like to have, so with that in mind I pledge that I will adhere to the following rules.

1. All students have previously signed an acceptable use policy to allow computer rights. Please read the following with your child and be certain they understand what they will and will not be permitted to do.
2. I will be on time...not tardy. 4 tardies shows that I am not serious about this class and will receive a detention.
3. I will come prepared, notebook and pencil/penwith name and subject and hour on outside of notebook.
4. I will stay on the **EDGENUITY** site.
5. I will take notes during the lectures which must be listened to with earphones.
6. I will bring a set of my own earphones in case the classroom sets are all being used.
7. I will not talk to other students, either next to me or across the aisle. Every day is a test situation.
8. I will not bring food or drink into the room including candy.
9. When you need the teacher's attention, raise your hand, and wait or come quietly to my desk not bothering other students on your way.
10. The teacher can take away my phone/electronic device(s) if they are disrupting the classroom.
11. I will follow all other school rules while in this class.
12. I understand that my credit is based on my completing **100%** of the course and receiving a grade higher **than a 60% in order to receive credit.**

I understand that by not following any of these rules subjects me to being dismissed from this class and therefore losing the chance to regain my credit.
