

Think back throughout your time in school so far and reflect on all of your teachers. Which teachers do you remember the most and why? What did these teachers do that made you remember them? Were there any teachers you would deem as GOOD Teachers? Why? What characteristics did they have? Were there any teachers that you would deem as NOT SO GOOD Teachers? Why? What characteristics did they have that made them that way? Who was the BEST teacher you ever had and why? What did they do that made them the best in your eyes?
